Certification:

The undersigned affirms that to the best of his or her knowledge, all statements in this application including all schedules, appendices, and additional information are true and accurate. Company and the undersigned understand that as part of the screening process, the credit history of the company and its owners, as well as all financial references provided, may be investigated, and/or a criminal background check of the Company's owners may be requested. By signing this application, the Company and the undersigned understand that they are giving Texas A&M University permission to obtain a consumer credit report and/or a criminal background check that will be reviewed and evaluated pertaining to this application. Company and the undersigned further understand that this application is considered a request, subject to review and approval by Texas A&M University, and in no way guarantees the Company's admittance to Texas A&M University's Research Park, nor may it be considered a commitment by Texas A&M University to rent space to Company. Every offer of participation in the Texas A&M University Research Park is conditioned on receipt of an acceptable criminal history record information check. Failure of applicant/undersigned to consent to a criminal background check is grounds for rejection of the applicant for admittance to Texas A&M University's Research Park.

The undersigned represent that they are each the duly authorized representatives of such party on whose behalf the individuals are signing, each with full power and authority to make and submit this application.
