

Texas A&M University

# RESEARCH DEVELOPMENT *Services*

Research Development Services (RDS) assists the Texas A&M research community with professional development workshops and seminars, research proposal development, and other research support services.

## POST-SUBMISSION

### REVIEW

Assessment of reviewers' comments or summary statements

### RENEW, RESUBMIT

Comments reviewed by RDS  
Proposal development assistance

### SUBSEQUENT GRANT PROPOSALS

Strategic development to leverage current grant(s) to additional funding grant proposals

## PROPOSAL PREPARATION AND SUBMISSION

### MULTIDISCIPLINARY PROPOSALS

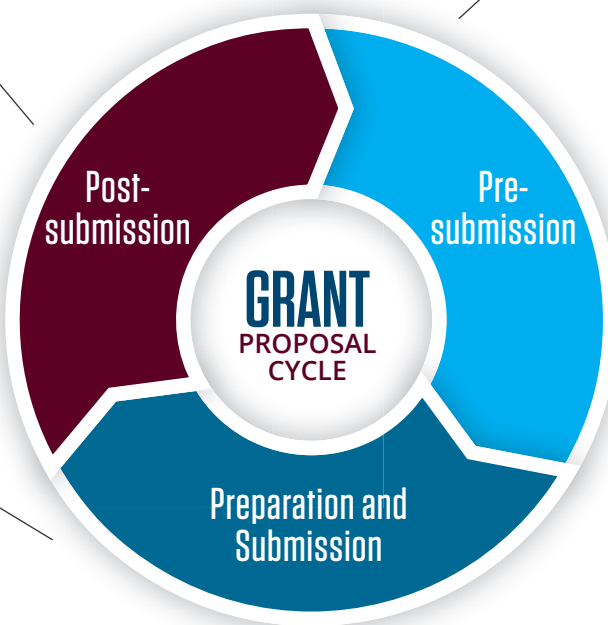

RDS will assist multi-partner proposal teams with to manage the proposal process

### PROPOSAL CONSULTATION AND REVIEW

For the single principal investigator (PI), multiple PIs, and large complex research teams; strategic review of solicitations and requests for application in all stages of development, focused on enhancing the competitiveness of grant proposals

### COORDINATION WITH OTHER CAMPUS SERVICES

Coordinate with other university offices, such as Texas A&M Sponsored Research Services (SRS) and subject librarians

## PRE-SUBMISSION

### PROPOSAL DEVELOPMENT

Assistance for single principal investigator, multi-partner, and research team proposal development

### PROFESSIONAL DEVELOPMENT

Seminars and workshops; writing groups for NIH, NSF, NSF CAREER, and other federal funding agencies

### INTERNAL AND INTERNATIONAL GRANT PROGRAMS

Arts & Humanities Program; CONACYT (Mexico's NSF Equivalent); FAPESP (São Paulo Research Foundation, Brazil)

## 2018–19 SEMINARS AND WORKSHOPS

### Texas A&M-FAPESP (Brazil)

**Writer's Workshop** | *September 3, 2019, 10:30–11:30 a.m., 310 JKW*

The workshop will provide information on collaboration, eligibility, proposal submission, and best practices. Open to all disciplines.

### Texas A&M-CONACYT (Mexico)

**Writer's Workshop** | *September 10, 2019, 10:30–11:30 a.m., 310 JKW*

The workshop will include collaboration methods, eligibility, proposal submission, and best practices. Open to all disciplines.

### Writing Winning NIH Grant Proposals

| *September 26, 2019,*

*8:30 a.m.–4:30 p.m., Rudder 601*

Register by September 20, 2019 at [researchdevelopment-registrations](#) John Robertson, Consultant from GWSW.

### Grants: They have a Language All Their Own

| *October 21, 2019,*

*1:00–2:00 p.m., ILSB Auditorium*

Graduate students and postdocs. Strategic proposal design and best practices for competitive research proposals. Applicable to all disciplines.

### Writing Successful Proposals

| *October 23, 2019, 1:30–3:00 p.m., TBD*

Strategic proposal design and best practices for competitive research proposal. Applicable to all disciplines.

### NIH Specific Aims Virtual Workshop

| *October 23 & November 6, 2019, Noon–*

*1:30 p.m., virtual meeting via Zoom*

Feedback on NIH Specific Aims pages from experienced NIH peer reviewers.

### Multidisciplinary, Multi-PI, and Multi-Institutional Proposals

| *October 24,*

*2019, TBD, virtual meeting via Zoom*

Details and registration available at future date.

### \*Demystifying the NIH

| *October 29, 2019, 1:30–3:00 p.m., MSC 1401*

Provides a broad overview of NIH, identifying NIH funding opportunities, proposal submission and review process, and strategies to build a competitive NIH proposal.

### NSF CAREER & Young Investigator Programs

| *TBD, 1:00–5:00 p.m., ILSB Auditorium*

Information on NSF CAREER and other federal agency young investigator programs.

### Hanover Webinar: Foundation Outreach, Cultivation, & Proposal Development

| *November 5, 2019,*

*2:00–3:30 p.m., via Skype or Zoom*

Introduces development officers and research deans to fostering and sustaining relationships with foundation research sponsors. All experience levels.

### KB Science Webinar: DOE Early Career

| *November 19, 2019, 11:00–12:00 p.m.,*

*virtual meeting via Zoom*

Register at: [Registration - DOE](#)

Junior faculty proposal opportunity. Short presentation followed by Q&A.

### NSF Proposal Supplementary Documents

| *November 20, 2019, 1:00–3:00 p.m., TBD*

Examines NSF documents required for NSF research proposals.

### NIH Resubmission Discussion Panel

| *January (TBD), HPEB, Room TBA*

Resubmission strategies for NIH. Panel discussion and Q&A with experienced NIH peer reviewers.

### Texas A&M-FAPESP (Brazil)

**Writer's Workshop** | *February 4,*

*2020, 10:30–11:30 a.m., 310 JKW*

The workshop will provide information on collaboration, eligibility, proposal submission, and best practices. Open to all disciplines.

### NSF Broader Impacts

| *February 2020,*

*1:00–4:30 p.m., TBD*

**1:00–2:30 p.m.** - Seminar -Improving the competitiveness of NSF proposals through stronger broader impacts.

**2:30–4:30 p.m.** - Expo -University and community representatives available for collaboration and partnering on broader impacts and outreach strategies. Jointly: DOR and TEES

### NIH Specific Aims Virtual Workshop

| *February 12 & 26, 2020, Noon–1:30 p.m. (Zoom)*

Feedback on NIH Specific Aims pages from experienced NIH peer reviewers.

### NSF: The Agency, Proposal Preparation & Review

| *February 2020, 1:00–3:00 p.m., TBD*

Graduate students and Postdocs. Overview of the NSF, identify appropriate programs and proposals, and the review process.

### NSF CAREER Writing Groups - Initial Meeting

| *March 5, 2020, 1:30–3:00 p.m., TBD*

Goals and organization of the 6th Annual Texas A&M NSF CAREER proposal peer writers' group. Resource materials available, participation in Q&A session, and scheduling writing meetings from March–May.

### \*Filling Your NIH Toolbox: Using RePORT to Your Advantage

| *March 18, 2020, 1:30–3:00p.m., TBD*

Learn how to leverage NIH RePORT to target NIH applications, identify key contacts at NIH and potential collaborators, and more. Laptops required for this workshop.

### Demystifying the NSF: NSF Funding Opportunities, Proposal Preparation and Review Process

| *March 25,*

*2020, 1:30 – 3:00 p.m., TBD*

Provides a broad overview of NIH, identifying NIH funding opportunities, proposal submission and review process, and strategies to build a competitive NIH proposal.

### NSF CAREER Mock Review Session and Workshop

| *After Spring break 2020, TBD*
