TEXAS A&M UNIVERSITY RESEARCH PARK
Rules for Users of Research Park

1. Any request for the use of the Texas A&M University Research Park must be submitted two (2) weeks prior to the planned event.
2. The requesting organization/individual is responsible for all facilities used by the organization/individual.
3. Do not mark or paint instructions on street signs or other property of the Research Park; only masking tape may be used for marking directions and must be removed immediately following the event.
4. The area used by the organization/individual must be cleaned immediately following the event. All trash must be physically removed from the Research Park (do not place trash in Park receptacles). If the cleaning is not satisfactory, as determined by the Research Park staff, the requesting organization/individual will be charged a minimum cleaning fee of \$25.00.
5. Requesting organization/individual should understand that the sale of non-commercial packaged food items requires a food handler's permit for all persons involved.
6. As no public restroom facilities are located in the Park, when the event is scheduled to last more than three (3) hours, the requesting organization/individual must provide, at their expense, portable facilities. Research Park staff will determine location.
7. Requesting organization/individual must ensure that each participant in its activity has signed the Research Park's *Participant Waiver, Indemnification, and Medical Treatment Form*. The failure to meet this requirement is grounds for termination of permission to use the facility and/or the requesting organization/individual must indemnify Texas A&M University for any and all claims, including attorney's fees and expenses related to any claim, made as a result of the activity.
8. As no electrical power is in the Park for public use, no activities will be scheduled to begin, extend or be conducted during the hours of darkness. If electricity is required for sound systems, the requesting organization/individual must furnish their own generating system.
9. The requesting organization/individual agrees to provide continuous supervision of the event and to ensure that there is no abuse or violation of the laws of the State of Texas, or the rules and regulations of Texas A&M University.
10. No activities will be held on the Park streets which exceed the posted speed limit.
11. Research Park roads will not be closed or restricted for an event.
12. Fees may not be charged for events held at the Research Park.
13. Expressive activity in Research Park is permitted as set forth in the guidelines appearing in Appendix XI of the Texas A&M University Rules. See <http://student-rules.tamu.edu/append11>.

1. EXCULPATORY CLAUSE. In consideration for receiving permission to participate in an activity held at **Research Park** (herein referred to as "activity"), which is being sponsored by _____ (herein referred to as "sponsor"), I hereby release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes sponsor, The Texas A&M University System, its members, officers, regents, agents, volunteers, or employees (herein referred to as RELEASEES or INDEMNITEES) from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, that may be sustained by me while participating in such activity, while traveling to and from the activity, or while on the premises owned or leased by RELEASEES, including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES. I understand this waiver does not apply to injuries caused by intentional or grossly negligent conduct.

I agree to indemnify and hold harmless INDEMNITEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, which may occur to myself, other participants, and third-persons as a result of my participation and conduct in said activity including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of INDEMNITEES.

3. NO INSURANCE. I understand that RELEASEES do not maintain any insurance policy covering any circumstance arising from my participation in this activity or any event related to that participation. As such, I am aware that I should review my personal insurance coverage.

4. BINDS HEIRS. It is my express intent that this agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representatives, if I am deceased, and shall be governed by the laws of the State of Texas.

I understand RELEASEES cannot be expected to control all of the risks articulated in this form and RELEASEES may need to respond to accidents and potential emergency situations. Therefore, I hereby give my consent for any medical treatment that may be required, as determined by a medical professional at the medical facility, during my participation in this activity with the understanding that the cost of any such treatment will be my responsibility. I agree to indemnify and hold harmless INDEMNITEES for any costs incurred to treat me, even if an INDEMNITEE has signed hospital documentation promising to pay for the treatment due to my inability to sign the documentation. I further agree to release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes, RELEASEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, that may be sustained by me while receiving medical care or in deciding to seek medical care, including while traveling to and from a medical care facility, including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES. I execute this document for full, adequate and complete consideration fully intending to be bound by the same, now and in the future. **I understand I can choose not to sign this document and free myself from its terms and the associated risks of the activity by simply not participating in the activity and choosing some other activity available to me that has a lower level of risk to me.**
