

NIH Specific Aims Clinic Spring 2018

SCHEDULE

Tuesdays, 1:30-3:00 p.m. | Locations below

Target Audience:

We expect this clinic to be especially beneficial for junior faculty and faculty who have not previously applied to NIH. Any faculty looking to increase the competitiveness of their NIH grant applications may also benefit.

Goals:

- Craft a clear, compelling, peer-critiqued Specific Aims page for an NIH proposal
- Provide and receive peer feedback
- Obtain proposal development strategy, insight, and assistance

Thursday, February 22..... Registration Deadline at 11:00 p.m. (including submission of draft of Aims)

Tuesday, February 27 **Meeting # 1**
Kickoff and mock peer review panel
Rudder 401

Friday, March 2..... Revised Aims Due at 12:00 noon (optional)

Tuesday, March 6..... **Meeting # 2**
Small-group peer review of Aims pages
Rudder 510

Friday, March 9..... High-level critique of Aims provided by RDS staff

Thursday, March 22 Revised Aims drafts due at 12:00 noon

Tuesday, March 27 **Meeting # 3**
