

Guidelines for Posters

1. Registration and poster check-in starts at 12:30 p.m. This gives presenters an opportunity to set up their posters prior to the event's start at 1:00 p.m.
2. Easels and trifold poster boards will be provided onsite.
3. Some pushpins will be available onsite to mount posters, but presenters should bring their own, if at all possible.
4. Please do not use high-tack, gummy adhesives to mount posters to the poster boards. These adhesives can damage the board when removed.

If you have any questions or need additional information, please contact Shannon Prescott (sprescott@tamu.edu).

Thank you!
