**Recommendation:** TSOC recommends that a working group be established to identify and prioritize areas that may be affected by changes in Travel Services, Accounts Payable and Purchasing that are currently on Research Foundation (RF) accounts. Particular services are required for exceptional awards such as IODP versus other grants on RF accounts.

**Benefits:** Identifying how RF accounts should be handled in the future will enhance the compliance, and improve the quality of services provided to the principal investigators.

**Effective Implementation Date:** Upon approval of this recommendation.
