MESSAGE FROM JACK BALDAUF, VICE PRESIDENT FOR RESEARCH

THE AGGIE WAY ENGAGEMENT PROGRAM (AWEP) is a university-wide initiative focused on recognizing Aggies who lead by example and enrich both our learning and working environments by living out our Aggie Core Values. This program is about raising awareness of the things Aggies do every day that makes Texas A&M, TEXAS A&M!

HERE’S HOW THE PROGRAM WORKS.

It begins with you. Any faculty or staff member who wants to recognize a fellow employee for doing something above and beyond that aligns with the Core Values, can recommend recognition for that person by using the Core Values Form.

The process initiates. Trained members from your unit will review the Core Value Form and provide recognition recommendations to supervisors and executive leadership in the unit.

We celebrate the Aggie Way. Recipients are notified, recognized, and celebrated for their exemplary behavior within the units and across our university.

To learn more, visit the website or send us an email at aggiewayep@tamu.edu.

HERE’S HOW TO GET INVOLVED.

To volunteer to be a part of the message delivery process, please sign up to be a Peer Messenger.

Cheers,
Jack Baldauf

In the weeks leading up to the roll-out, through this format, you’ll be receiving additional information about the program. Please consider volunteering as Peer Messengers in your department/unit as our goal is to have a minimum of one Peer Messenger in every division unit.

For more information, please contact anyone on the Rapid Response Team:

- MONA SOMERS
  Division Liaison
- TIFFANY INBODY
  Research Compliance and Biosafety
- K. LANCE KELLY, SHANNON EYRE, GABRIELLA KEANAINA
  Research Development Services
- SHERI STEBENNE
  High Performance Research Computing
- BRENDON GARBEE
  Sponsored Research Services

Peer Messengers:

- JEFF SAMMONS
  Texas A&M Energy Institute
- KATHERINE KISSMANN, BRENDON GARBEE
  Sponsored Research Services
- MEGAN SHOFF
  Research Compliance and Biosafety
- K. LANCE KELLY
  Research Development Service
- MONA SOMERS
  Office of the Vice President for Research

If you would like to volunteer, or you have any general questions, please contact Mona Somers, Director, Operations, Office of the Vice President for Research.
